Our Products

Blessings Unlimited offers a unique blend of business and ministry. Our *exclusive, message-based* products include home décor items and gifts created to *encourage hearts, build relationships, and bring beauty* to the place where you live. Through home parties, called Gatherings, we provide a unique shopping experience and a business opportunity which provides the freedom and flexibility to spend time on what is most important to you.

How Your Business Grows

You earn income two ways: by selling product at Gatherings and through those you sponsor. At each Gathering, you will earn 25% of your retail sales. As you grow your business, you can increase your income simply by increasing the number of Gatherings you hold on a monthly basis. See the chart below for the percentage of retail sales you would take home as a Consultant or in a higher position.
